In MNRAP there is a Jon Henry Lightning 12/06/81. It appears maybe be linked to ND and MN, and has been arrested in Clay Co for Narc in 2008 by Moorhead PD. He is an Indian male. We have no record of him in Mpls.

i've forwarded this email along with an attachment sent from a friend of mine who is a Deputy in Clay County. They recieved information that 2 native males nicknamed "shadow" and "lightning" are enrto the Fargo Moorhead area with the intention of shooting 2 narcotics officers. Can you please see if you can dig anything up on these nicknames? they are apparently native american males and known to be "crips".

thanks much. please reply with any info you come up with and contact the clay co sheriffs office as this is supposed to be happening today.

Yo,

You able to check your database to see if you can figure out which gangbangers goes by the nicknames in the attached Intel Sheet. Supposely, they are coming up here to target a Moorhead Detective and a former West Fargo Detective.

Thanks
